ELITE INFINITY

PLAN INCOME OVERVIEW (ELITE INFINITY)

Elite Infinity offers multiple premium plans designed to provide fixed daily income,along with percentage-based that increase with higher plans.

COMMON RULES (SAME FOR ALL PLANS)

- Daily income based on your plan
- Minimum withdrawal amount is 10% of your package

DIRECT INCOME 10%

INSTANT WITHDRAWAL

Elite Infinity offers a **Direct Income reward of 10%** for every successful direct referral.

When a user joins the system through your referral, you instantly earn **10% of the activated package amount** as Direct Income.

Direct Income is **credited instantly** and reflects in the user's income wallet , providing **fast and transparent rewards** for direct participation.

This structure encourages **active growth**, while ensuring **simple, predictable, and high-value earnings**.

DIRECT INCOME EXAMPLES (10%)

- **$10 package → $1 Direct Income**
- **$25 package → $2.5 Direct Income**
- **$50 package → $5 Direct Income**
- **$100 package → $10 Direct Income**
- **$200 package → $20 Direct Income**
- **$500 package → $50 Direct Income**
- **$1000 package → $100 Direct Income**

10 % LEVEL INCOME STRUCTURE (UP TO 10 LEVELS)

INSTANT WITHDRAWAL

Elite Infinity provides a **multi-level income system** that rewards users based on the activity of their downline network up to **10 levels**.

Level income is calculated as a **percentage of the activated package amount**, and is distributed automatically according to the level structure.

LEVEL INCOME PERCENTAGE BREAKUP

- **Level 1 – Level 10 → 1% per level**

⚖️ BINARY INCOME

Setting	Value (As per System)
Income Type	Binary Matching Income
Matching Basis	Strong Leg vs Weak Leg
Matching Levels (Binary Depth)	Up to 10 Levels (Downline Matching Applicable)
Matching Rule	Minimum of both legs $100
Binary Percentage	5%
Minimum Business per Leg	$100
Carry Forward	✅ Yes
Income Credit Type	Flushed (until conditions met)
Income Credit	With Plan Withdrawal

⚠️ **Important Notice** :- Binary income will be credited only after you complete your own $100 withdrawal. If the $100 self-withdrawal condition is not met, the binary income will be flushed and will not be carried forward.

BINARY INCOME RULES& POLICY

📌 What is Binary Income?

Binary income is earned when business volume matches between your **Left Leg** and **Right Leg**. Income is always calculated on the **weaker leg**.

🔐 Eligibility Rules

To earn binary income, all below conditions must be met:

- User account must be active
- Business must be present on both legs
- Minimum business per leg must be $100
- User must complete their own $100 withdrawal
